June 11-13, 2010 is exactly three months away! The Journey of Freedom is on schedule and work on the national summit on forgiveness is moving forward.

We are now in a time where we need the family of God in our nation to draw closer than ever before. Lets lock arms and move as one mighty army of the Lord for such a time as this!

We are ready to receive registers for our upcoming national summit on forgiveness. Please register now at www.i4give.ca, if you are planning to attend, as this will help us in all our planning needs.

We also have selected hotels that we have been able to get reasonable rates for during the high season of tourism for Ottawa. **Please register with the hotels listed on the web site and make sure you make mention of Gathering Nations International.**

The Journey of Freedom and the national summit on forgiveness is a national coalition of First Nations, Inuit and Métis individuals who believe, now is the time to release forgiveness in the spirit. We need the whole family of God to commit to help the First Peoples of Canada take their timely role and place in this season for our nation.

We need all the financial support we can get to back what needs to be done for our people and nation.

I am also calling for every First Nations, Inuit and Métis individual who believe releasing forgiveness will be the key to set our people free from a spiritual bondage, to take full ownership and seriously commit to give to the Lord and finance the Journey of Freedom and the national summit on forgiveness.

Finally, we're calling upon all people in our nation to increase the prayer coverage for the national team in their Journey of Freedom.

Please log on to our website: www.i4give.ca for all other information and updates.

I sincerely believe, as we all take our place in this season, we will witness a fresh and mighty move of the Lord in our nation. Let us therefore contend for our people and nation like never before. This is our time!

On behalf, of the First Peoples of Canada, thank you so much for your partnership in these timely and significant initiatives for our nation.
